3. Q1. Right (« title : death penalty states with gubernatorial moratoria »- need to remove Washington from the question)

Q2. Right (1979 to 1984)

Q3. Right (the repeal was not retroactive but the remaining prisoners were to be resentenced for life without possibility of parole)

Q4. Right (Similar situation, with 11 inmates this time)

Q5. Wrong (The death penalty was abolished and directly concerned the inmates on death row so we may consider it was retroactive)

we didn't know until 2024, the decision regarding the 13 inmates on death row had not been made yet, the case was still **pending** for a while)
